Hi Mark,

HACCP is a list of recommendations but does not certify any item.

Our plastics pedal bins (item codes starting by SO-12xx) and bag holders (SO-2104 and SO-3104) comply to HACCP recommendations as these are pedal operated (no contact with hands), easy to clean (smooth surfaces) and made of material resistant to rust (plastics or stainless steel).

Any question, let me know!

Best regards,
Julien

Dear Guys,

Which bins in our range have the HACCP certification?

Thanks,
