

Floor Deep Strip - 5 l

GENERAL

Powerful stripper and cleaner, suitable for all polymer-protected floors.

- Easily removes dirt and (old) polymer layers, right into the pores of the floor
- Solvent-based
- Slightly alkaline, safe for lino

pH	10
Cleaning Power	Very powerful

USAGE

Dose 1L of Floor Deep Strip to 5L of water. For removal of older polymer layers or excessive layer build-up, the dosage may be increased to 1.5L to 2.5L to 5L of water.

Apply the solution and allow to soak for 10 - 15 minutes. Scrub the floor with a scrub brush and vacuum the solution with a water vacuum cleaner. Rinse the floor well with water. Then treat the floor again with Floor Seal and Floor Coat Silk or Floor Coat Matt.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
