

FLOOR
CARE

GREEN'R Indus

Powerful low foam floor cleaner

- **ULTRA-DEGREASING**
- **RENOVATES HEAVILY SOILED FLOORS**
- **NON-FOAMING**
- **FOOD CONTACT APPROVED**
- **FRAGRANCE-FREE**

GREEN'R offers an answer to the new, ecological hygiene standards with an extensive range of well-performing eco labelled products. The products are nontoxic and do not harm the environment. Even in lower doses and at lower temperatures they show impeccable results and maximum efficiency while saving on water, transportation costs and packaging.

PROPERTIES

GREEN'R Indus is a degreaser that ensures an effective cleaning of all heavily soiled floors in the food industry, communities, kitchens, supermarkets, etc.

GREEN'R Indus acts quickly and thoroughly on all dirt of animal or vegetable origin: tyre marks, residues of door seals and scuff marks, mineral grease as well as resins, glues and varnishes.

It can be used manually, by spraying, with a scrubber or with a single brush.

Use only with an automatic dosing system if used in a central kitchen.

In low doses, it can be used for regular maintenance of tiled floors in supermarkets, industries,...

GREEN'R Indus has a very low impact on the environment, but its performance is superior to that of even the most effective products on the market.

INSTRUCTIONS FOR USE

Recommended dosage:

0.5% for maintenance

3% for surface restoration

CHARACTERISTICS

- Colourless liquid
- pH (100%): 14
- pH (1 g/L): $\pm 11,3$
- Relative density (20°C): 1,102

ENVIRONMENT

Correct dosing saves money and reduces the impact of the product on the environment.
