

ECO Sanitary Forte - 750 ml - VOC 1.1%

GENERAL

Powerful, acidic environmentally friendly limescale remover.

- Suitable for periodic descaling of toilets and wash basins.
- Safe for use on taps.
- Also suitable for removing cement deposits on acid-resistant floors.

pH 2
Cleaning Power Very powerful

USAGE

Clean the surface with a sponge, cloth or brush.

Leave to work for 5 to 10 minutes. Rinse well with water.

For heavy limescale deposits, increase the dose.

Never mix Eco Sanitary Forte with active oxygen-based products such as bleach!

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. BOMA is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
