

Oven Package

GENERAL

Professional starter kit for periodic oven maintenance

- Powerful, ready-to-use oven and grill cleaner
- Diamond microfibre cloth ideal for removing tough stains without damaging the surface
- High-quality woven Element microfibre cloth with unique cleaning and absorbing capacities
- Cannot be used on aluminium, zinc and painted surfaces

USAGE

Always use protective gloves

1. Spray the Oven & Grill cleaner
2. Leave on for a few minutes
3. Loosen the dirt & remove with the Diamond microfibre cloth
5. Clean and dry the oven streak-free with a damp Element microfibre cloth
