

Greenspeed Click'M C mop - Slide - 50 cm

GENERAL

Qualitative mop for dusting and damp cleaning of delicate hard floors.

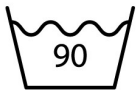

- Designed specifically for use in areas with demanding hygiene requirements, such as hospitals or care centres.
- Excellent cleaning power and highly absorbent.
- Suitable for pre-soaking.

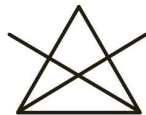

The Click'M C is a high-quality and innovative flat mop system, with a revolutionary magnetic click-fastening. Extra hygienic in use, the mop can be removed from the frame without coming into contact with your hands. There are three different mops available for the frame, each with four coloured ribbons for efficient use.

USAGE

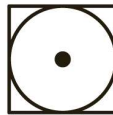

1. Machine wash the mop prior to first use.
2. Slide the mop over the frame. Press the handle downwards so that the mop clicks into place with the magnet.
3. With normal soiling, a surface area of 40-70m² can be cleaned.
4. Click the frame loose with
