

Wheels for Bomabin Select Modus 60 l and 90 l - set of 4 pieces

GENERAL

Sturdy stainless steel wheels for the Bomabin Select Modus

- set of 4 swivel wheels, 2 with brake
- easy to mount
- suitable for all 60 l and 90 l units

USAGE

Mounting:

- Unscrew the standard mounted adjustable feet from the bin
- Remove the nut from the wheels (it can stay on, then the bin is +/- 4 mm higher)
- Screw the 2 wheels with brake to the front of the bin
- Screw the 2 wheels without brake to the back of the bin

Attention: when connecting 3 or more units to create one waste island, it is recommended to mount 4 wheels under each unit. This is for the solidity and weight of the waste island.
