

Fragrance dispenser X-Scent 20

GENERAL

Be inspired by an invisible mist of luxurious fragrances with this compact yet powerful fragrance machine.

- Suitable for bottles up to 200 ml
- Frequency and operating times can be adjusted to the second using the Aroma-Link app on your smartphone or tablet
- Can be placed or hung (hanging kit included) and can also be mounted on a work cart
- Uses micro-diffusion technology (atomization of concentrated oil)
- Ideal for restrooms, small offices, cloakrooms, hotel hallways, etc., up to 30 m²
- Powered by 4 D batteries (710021) or can be connected to the power supply (USB-C cable included)

USAGE

First usage:

- Open the dispenser with the corresponding key
- Gently pull out the bottle
- Open the bottle and fill with fragrance
- Close the bottle and screw it into the dispenser
- Insert 4 D batteries or connect the dispenser with a USB cable
- Lock the dispenser with the corresponding key
- Download the Aroma-Link app on your smartphone or tablet
- Choose Bluetooth mode and connect your device with the app by entering the code 1234
- Set the operating time and frequency as desired
- Close the app

Refilling with fragrance

- Switch off the dispenser with the help of the app
- Open the dispenser with the corresponding key
- Gently pull out the bottle and open it
- For refill with the same fragrance: open the bottle and fill with fragrance
- For refill with a new fragrance: take a new refill bottle and fill with fragrance
- Close the bottle and screw it into the dispenser
- Switch the device on again with the help of the app
