Cimex X46

The unique Cimex Model X46 Escalator Cleaner is designed to provide fast, thorough brushing and simultaneous vacuum cleaning of all types of escalator treads and moving sidewalks.

Regular cleaning with a model X46 reduces maintenance costs and improves the appearance of the escalator. Retail stores, hotels and other facilities are realizing that a clean escalator reduces operating costs and contributes to the overall improved appearance of their facility.

Features and Benefits

- Powered rotating brushes for fast, effective cleaning.
- Powerful vacuum dust pickup with quick-change disposable bags.
- Greatly reduces cleaning time when compared with other cleaning systems.
- Easy change brushes.
- Two types of brushes available: nylon for routine maintenance and abrasive for initial deep cleaning.
- Portable handle folds for storage or ease of transporting to a different location.
- The X46 can clean any width escalator.
