13. Disposal considerations

Recyclable. Disposal / utilization in accordance with the local, official regulations.

14. Transport information

ADR Class: not applicable.

15. Regulatory information

No dangerous product.

16. Other information

All papers produced at Nordland Papier GmbH are authorised to carry the European Eco-label "EU-Flower".

All products are not to be considered 'substances' under REACH, nor do they have a risk that compounds of very high concerns are contained on a concentration level which result in needs of registration on "preparations/articles" level.

Nordland Papier GmbH is certified according to BS OHSAS 18001, DIN EN ISO 9001, DIN EN ISO 14001 and DIN EN ISO 50001 and validated according to the EC's Eco-Management and Audit Scheme No. 1221/2009 (EMAS III).

The information contained herein is based on the present state of our knowledge. It characterizes the product with regard to the appropriate safety precautions. It does not represent a guarantee of the properties of the product.
